

Spring is around the corner (we hope!) and we are in the final few months of the school year.

With that WSA is working hard to end a very successful school year even stronger.

We have seen an amazing amount of support for our events over the years, but this year has exceeded our expectations! Let's keep that momentum going as we head into the final stretch of the school year!

Come join us at our monthly meetings, or check out our facebook page & website.

WSA funds at work!

WSA was able to purchase new sleds for classroom use during recess, replacing some of the older more loved ones previously purchased by WSA. Fundraisers such as Boon Supply, Essential Oils and the Calendar sale help make these purchases possible.

Parents Night Out, May 13th.

Join us for a silent auction, food and an opportunity to meet other parents working to make Waterford School a thriving community.

VOLUNTEERS NEEDED!

Join us for a meeting! We are in the planning stages of more fun for the school & the community including:

Fire & Ice Family & Middle School Dance a success!!

Our 1st dance since before Covid was a success, thanks to all of you! We saw so many of you during the family portion of the dance and had a ball! Our middle schoolers enjoyed their own dance later that evening and didn't leave the dance floor. Thank you to all who came!

A special thank you to our volunteers, who donated items, décor, food and their time. And a HUGE thank you to Mike Barrett for being our DJ and handling ALL the song requests. Here's to making this a regular thing!
